AUDITOR'S REPORT

I hereby certify that I have carefully examined and verified the books and accounts of the town clerk, selectmen, treasurer, tax collector, trust fund trustees, school treasurer and road agent, and find them properly vouched.

MADELLA NIMS HAZEN.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Roxbury :

I submit herein my sixth annual report as superintendent of schools.

Our legislators at Concord are striving to find some avenue by which they may lighten the burden of taxation. We heartily co-operate with them in so far as it does not cripple our educational institutions. As the printing of reports is costly, I shall emphasize the word brevity in my remarks. My statements will be general rather than specific and given to details.

President Hoover has stated concisely the philosophy of our educational system in the following words: "Racial progress marches upon the feet of healthy and instructed children. There should be no child in America that is not born and does not live under sound conditions of health; that does not have full opportunity of education from the beginning to the end of our institutions; that is not free from injurious labor; that does not have every stimulation to accomplish the fullest of its capacities."

PROMOTIONS

The numbers of pupils promoted in June from the respective grades were as follows:

| Grades: | I | II | III | IV | V | VI | VII | VIII |
|---------|---|----|-----|----|---|----|-----|------|
| | 1 | 1 | 2 | 5 | 0 | 1 | 2 | 3 |

Promotions were based on regularity of attendance, daily rank, examinations, and standard tests.

The three promoted from eighth grade were: Irene Davis, Edwin B. Ellis, and Doris E. White. Edwin B. Ellis is continuing his studies in the Keene High School.

TEACHERS

The teacher for year ending June 30, 1928 was Mrs. Celia W. Metcalf. Mrs. Metcalf maintained good discipline and accomplished average success in school work. Since September of the present school year, the school has been under the instruction of Miss Irene Stevens, a graduate of Keene Normal. Miss Stevens is proving herself alert in school discipline and strong in self initiative. Her work shows evidence of good preparation, motivation and correlation.

The school is well organized, doing effective work and gives promise for a successful year.

IMPROVEMENTS

A much needed well of drinking water has been installed in the school yard and a sand table in the school room.
